Our food bank

- Provides emergency food and practical support to local people at crisis point.
- Works with local partners to get people the right help and support, so they're less likely to need the foodbank again.
- Is part of a UK-wide community of food banks, working together with the Trussell Trust to ensure no one needs a food bank to survive.

Please consider those who might be struggling on your shop today by donating an item or two from the list.
